

Journey to Truth

Homegroup and Evangelistic Course Quote

Ep 1 - Forgiveness is always costly

Four Muslim guys go on a journey and discuss the nature of forgiveness and how it costs God. Join us on the Journey to Truth.

Ep 2 - Why did God choose sacrifice?

What is the purpose of sacrifice? How can sins be atoned for? The guys discuss the role of sacrifice and why God chose for it to make atonement for our wrongdoing.

Ep 3 - Is the Bible (Injil) corrupted?

Ali corners Abdullah and asks him where he's getting these ideas... They discuss whether the Injil (Bible) has been corrupted. Listen to the evidence and make up your own mind.

Ep 4 - Is the Messiah the Son of God?

What do Christians mean by the Messiah being the Son of God? What does the Bible (Injil) actually say about it? Watch these four friends discover the answer.
